Our Courses

CEO's Message

Here, at Melbourne Metropolitan College, you will find exceptional experiences that allow you to grow and develop, explore new interests, and fully realise your potential.

Our friendly staff are always ready to help you and guide you during your study here at Melbourne Metropolitan College. Our Business, Information technology, Cyber Security, Telecommunications Network Engineering, Civil Construction, Leadership & Management courses are structured and designed to suit the industry standards that cater to individual needs.

HEMI HOSSAIN

Producing skilled and career-ready graduates has always been central to our mission. Through a process that includes career exploration and professional preparation, we connect you with career paths and foster the skills and mindset needed for professional advancement. Our team is committed to shaping our students' skills and as a team, we play a role in connecting students with the corporate world or professional world which is achieved through internships in the best organisation in the market.

Discover Australia

Standing proud with 8 of the top 100 universities in the world, renowned for its world-class education, post-study work opportunities, excellent quality of living, unbeatable academic excellence and support system for international students.

Cultural Diversity

Australia is a diverse melting pot of cultures. The benefits of living in a multicultural society include wonderful culinary offerings, public international celebrations and the chance to learn a different language.

Incredible Work Opportunities

Australia also offers a Temporary Graduate Visa, that allows international students to stay in Australia and continue to work after they have graduated.

Easy Communication

Australians speak English, which makes it easy for most international students to understand and be understood.

Easy Access to Student Visas

If you are seeking to obtain a student visa, Australia provides an expedited and simplified application process for the Student Visa.

Global Recognition

Graduates from Australian schools are highly sought after due to the impressive international reputation of the Australian education system. The government works diligently to maintain the high standards of education associated with the country.

Cost of Living

Australia boasts one of the highest standards of living globally. Notably, living expenses and tuition fees in Australia are notably more affordable than those in the United States and the United Kingdom. Furthermore, international students in Australia have the opportunity to engage in part-time employment while pursuing their studies.

Vocational Education in Australia

You can develop valuable job skills through vocational education and training (VET) in Australia, which emphasizes practical industry skills. This is a fast-track option for international students. The VET sector is a collaboration between governments and businesses.

Registered Training Organizations (RTOs) organize VET courses and provide qualifications that are nationally recognized. RTOs include Technical and Further Education (TAFE) institutes, private colleges, and some universities. VET courses range from Certificate I to IV, Diploma, Advanced Diploma, and Graduate Diploma.

To enroll international students, RTOs must be registered with the Australian Government's Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). CRICOS ensures quality education for international students and is closely monitored by the Australian Government.

Greater accessibility exists for vocational education than for higher education.

If you're interested in succeeding in a chosen field or changing careers, it is beneficial to upgrade one's skills.

Vocational education gives you immediate job options and prepares you for entry-level employment in your career.

The majority of vocational programs are less time-consuming than those from regular colleges or universities.

As students earn credit exemptions for completing VET courses, it opens possibilities to further education.

Through supervised practicums, many vocational schools integrate classroom instruction with real-world experience.

About Melbourne
Metropolitan College

Melbourne Metropolitan College extends a warm welcome to our Australian students. Our primary emphasis lies in fostering your professional development and achieving success. Upon graduation, students have the option to pursue advanced studies or enter their chosen career fields. Our committed faculty and staff stand ready to provide unwavering support throughout the student's academic voyage. We invite you to explore our state-of-the-art facilities and join us for a fulfilling educational journey that propels your career prospects in Australia.

Facilities we Provide on Campus for our Students

- Fully Equipped Classrooms With Data Projectors.
- Multimedia Enabled Classrooms With Computers And Free Wi-Fi Access.
- Moodle Platform For The Repository Of Online Learning Content And Activities.
- Extra Computers In Common Area To Use Outside The Classroom.
- Kitchen, Eating Area, Printing, Scanning, And Photocopying Facilities

1. University Pathway and Internship Programs

Melbourne Metropolitan College offers the students with the best internship opportunities in Australia where you can earn a placement through us in Australia.

2. Four Campuses in Four Amazing Locations

We are located in the heart of Australia with our main campus in Melbourne spreading branches in Adelaide, Gold Coast and Alice Springs.

3. Professional Trainers

Our main goal is to provide our students with quality education with hands-on experience within the campus and our exceptionally brilliant trainers do the amazing job of achieving great results from our students with an outstanding teaching environment.

Course Duration
52 Weeks (Incl Holidays)

Study Load
Full time

Course Offered (Campus)
Melb | Adl | GC

Study Commitment
20 hours/week

Study Mode
Face to face classes

Intakes
Every month
Except (February, June & December)

Career Pathway
- Telecommunications Technician
- Network Support Technician
- Telecommunications Engineer
- Field Technician

Study pathways
Gain direct entry for selected Bachelor Degree course in our partnered Australian Universities.

Course Outcome
Nationally recognised/accredited Qualification at the Diploma Level, ICT50220 Diploma of Information Technology

Diploma of Information Technology
(Telecommunications Networking Engineering)

Course Code ICT50220 | CRICOS Code: 111241D

Tuition Fee : $ 13,700 AUD
Material Fee: $ 500 AUD
Enrolment Fee: $ 300 AUD
Total Course Fee : $ 14,500 AUD

This qualification provides you with the skills and knowledge to work in a variety of information and communications technology (ICT) roles with established specialised skills in a technical ICT function. Graduates in these roles carry out moderately complex tasks in a specialist field, working independently, as part of a team or leading a deliverable with others. They may apply their skills across a wide range of industries, business functions and departments, or as a business owner (sole trader/contractor).

What You Will Learn
You will study Information Technology topics and case studies as they apply to different Australian industries. There will be immersive hands-on practical work, using critical IT problem-solving skills, research, consultation, and collaborating with diverse teams.

Course Units:
There are a total of 20 units to complete the course. This includes 6 core units and 14 elective units. Some of the units of this course are listed below:

Core / Elective	Code	Unit Title
Core	BSBCRT512	Originate and develop concepts
Core	BSBXCS402	Promote workplace cyber security awareness and best practices
Core	BSBXTW401	Lead and facilitate a team
Core	ICTICT517	Match ICT needs with the strategic direction of the organization
Core	ICTICT532	Apply IP, ethics and privacy policies in ICT environments
Core	ICTSAS527	Manage client problems
Elective	ICTICT519	Develop detailed component specifications from project specifications
Elective	ICTNPL413	Evaluate networking regulations and legislation for the telecommunications industry
Elective	ICTNWK423	Manage network and data integrity
Elective	ICTNWK541	Configure, verify and troubleshoot WAN links and IP services
Elective	ICTPMG505	Manage ICT projects
Elective	ICTTEN519	Design network building projects
Elective	ICTNWK536	Plan, implement and test enterprise communication solutions
Elective	ICTNWK540	Design, build and test network servers
Elective	ICTNWK546	Manage network security
Elective	ICTICT518	Research and review hardware technology options for organisations
Elective	ICTNWK556	Identify and resolve network problems
Elective	ICTICT435	Create technical documentation
Elective	ICTNWK537	Implement secure encryption technologies
Elective	ICTCLD502	Design and implement highly available cloud

Enrolment Fee : $ 300 AUD
Total Course Fee : $ 14,000 AUD

Certificate Ill In Automotive Mechanical Diagnosis graduates will have the skills to perform a broad range of tasks on a variety of light vehicles in the automotive retail, service, and repair industry.

Course Units:

There are a total of 36 units to complete the course. This includes 20 core units and 16 elective units. Some of the units of this course are listed below:

Core / Elective	Code	Unit Title
Core	AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
Core	AURASA102	Follow safe working practices in an automotive workplace
Core	AURETR112	Test and repair basic electrical circuits
Core	AURETR123	Diagnose and repair spark ignition engine management systems
Core	AURETR125	Test, charge and replace batteries and jump-start vehicles
Core	AURETR129	Diagnose and repair charging systems
Core	AURETR130	Diagnose and repair starting systems
Core	AURETR131	Diagnose and repair ignition systems
Core	AURLTD104	Diagnose and repair light vehicle steering systems
Core	AURLTB103	Diagnose and repair light vehicle hydraulic braking systems
Core	AURLTD105	Diagnose and repair light vehicle suspension systems
Core	AURLTE102	Diagnose and repair light vehicle engines
Core	AURLTZ101	Diagnose and repair light vehicle emission control systems
Core	AURTTA104	Carry out servicing operations
Core	AURTTA118	Develop and carry out diagnostic test strategies
Core	AURTTB101	Inspect and service braking systems
Core	AURTTC103	Diagnose and repair cooling systems
Core	AURTTE104	Inspect and service engines
Core	AURTTF101	Inspect and service petrol fuel systems
Core	AURTTK102	Use and maintain tools and equipment in an automotive workplace
Elective	AURACA101	Respond to customer needs and enquiries in an automotive workplace
Elective	AURETR010	Repair wiring harnesses and looms
Elective	AURLTJ113	Remove, inspect and refit light vehicle wheel and tyre assemblies
Elective	AURLTQ101	Diagnose and repair light vehicle final drive assemblies
Elective	AURLTQ102	Diagnose and repair light vehicle drive shafts
Elective	AURLTX101	Diagnose and repair light vehicle manual transmissions
Elective	AURLTX102	Diagnose and repair light vehicle automatic transmissions
Elective	AURLTX103	Diagnose and repair light vehicle clutch systems
Elective	AURTTA105	Select and use bearings seals, gaskets, sealants and adhesives
Elective	AURTTB015	Assemble and fit braking system components
Elective	AURTTC001	Inspect and service cooling systems
Elective	AURTTD002	Inspect and service steering systems
Elective	AURTTD004	Inspect and service suspension systems
Elective	AURTTK001	Use ad maintain measuring equipment in an automotive workplace
Elective	AURTTX102	Inspect and service manual transmissions
Elective	AURTTX103	Inspect and service automatic transmissions

Certificate IV in Automotive Mechanical Diagnosis

Course Outcome
A nationally recognised/accredited Qualification at the Certificate III Level, AUR30620 Certificate III in Light Vehicle Mechanical Technology.

Tuition Fee : $ 7,200 AUD
Resource Fee : $ 700 AUD
Enrolment Fee : $ 300 AUD
Total Course Fee : $ 8,200 AUD

Certificate IV In Automotive
Mechanical Diagnosis

Course Code AUR40216 | CRICOS Code: 103055F

Certificate IV In Automotive Mechanical Diagnosis graduates will have the skills to perform advanced diagnostic tasks in the automotive electrical and mechanical systems in the automotive retail, service, and repair industry. Candidates will gain the knowledge and skills to diagnose complex system faults catering to light vehicles. The course is conducted in varying environments with lectures and practical demonstrations. We ensure that you gain experience in servicing and repairing vehicles in both automotive and simulated workplace environment during the program.

What You Will Learn

This Certificate will teach you the core knowledge and skills needed to succeed in the automotive industry including the use of light vehicle tools and specialised equipment. When you complete this course, you will be qualified for the Diploma qualifications on the way to becoming a Diagnostic Technician.

Course Units:

There are a total of 10 units to complete the course. This includes 1 core unit and 9 elective units. Some of the units of this course are listed below:

Core / Elective	Code	Unit Title
Core	AURTTA021	Diagnose complex system faults
Elective	AURETR037	Diagnose complex electrical and electronic faults in light vehicle safety systems
Elective	AURETU1006	Diagnose complex faults in air conditioning
Elective	AURLTB104	Diagnose complex faults in light vehicle braking systems
Elective	AURLTD109	Diagnose complex faults in light vehicle steering and suspension systems
Elective	AURLTE104	Diagnose complex faults in light vehicle petrol engines
Elective	AURLTE105	Diagnose complex faults in light vehicle diesel engines systems
Elective	AURLTX104	Diagnose complex faults in light vehicle transmission and driveline systems
Elective	ALJRAFA103	Communicate effectively in an automotive workplace
Elective	AURTTF105	Diagnose and repair engine forced induction systems

Diploma of Automotive Technology

Course Code AUR50216 | CRICOS Code: 103056E

Diploma of Automotive Technology graduates will develop the skills that will enable them to diagnose, evaluate, analyse, design, and modify a range of vehicle, automotive electrical, and mechanical systems in the automotive service, repair, and retail industries. The course will provide you with the knowledge and skills to solve complex automotive issues. Give an in-depth understanding of the electrical and electronic faults of the machine, engine, and fuel, while developing the expertise to maintain automobile and vehicle safety.

What You Will Learn

This Certificate will teach you the core knowledge and skills needed to succeed in the automotive industry including the use of light vehicle tools and specialised equipment. When you complete this course, you will be qualified for the Diploma qualifications on the way to becoming a Diagnostic Technician.

Course Units:

There are a total of 12 units to complete the course. This includes 1 core unit and 11 Elective units. Some of the units of this course are listed below:

Core / Elective	Code	Unit Title
Core	AURAFA007	Develop and document specifications and procedures
Elective	AURAFA006	Conduct research and present technical reports
Elective	AURETA002	Analyse and evaluate electrical and faults in body management systems
Elective	AURETA003	Analyse and evaluate electrical and electronic faults in monitoring and protection systems
Elective	AURTTA022	Develop and apply mechanical system modifications
Elective	AURETE001	Analyse and evaluate electrical and electronic faults in engine management systems
Elective	AURETR034	Develop and apply electrical system modifications
Elective	AURLTD007	Analyse and evaluate faults in light vehicle steering and suspension systems
Elective	AURLTE003	Analyse and evaluate faults in light vehicle engine and fuel systems
Elective	AURLTQ003	Analyse and evaluate faults in light vehicle transmission and driveline systems
Elective	AURATA005	Estimate and quote automotive mechanical and electrical repairs
Elective	AURAMA005	Manage complex customer issues in an automotive workplace.

Diploma of Civil Construction Management

Course Code RII50420 | CRICOS Code: 111924K

Tuition Fee : $12,000 AUD
Resource Fee : $ 500 AUD
Enrolment Fee : $ 300 AUD
Total Course Fee : $ 12,800 AUD

This certification reflects the position of employees who operate on a single or a group of Civil construction sites, execute activities requiring a high level of autonomy, and who must exercise significant judgment in organizing and choosing the right tools, roles, and techniques for themselves and others. To assure the application of the site management systems, plans, and policies, they must design site-specific work instructions and practices. They exhibit the effective use of a wide variety of managerial, planning, coordinating, and technical skills.

What You Will Learn

This nationally-recognized qualification on the Diploma of Construction Management prepares you with all the foundational and practical knowledge and a hands-on career in construction management.

Course Units:

There are a total of 13 units to complete the course. This includes 5 core units and 8 elective units. Some of the units of this course are listed below:

Core / Elective	Code	Unit Title
Core	BSBTWK502	Manage team effectiveness
Core	BSBWHS521	Ensure a safe workplace for a work area
Core	RIIENV501E	Implement and maintain environmental management plans
Core	RIIQUA501E	Implement, monitor and develop quality management plans
Core	RIIRIS501E	Implement and maintain management systems to control risk
Elective	RIICWM501E	Implement civil construction plans
Elective	BSBFIN501	Manage project risk
Elective	BSBPMG536	Manage budgets and financial plans
Elective	BSBSTR502	Facilitate continuous improvement
Elective	BSBOPS505	Manage organisational customer service
Elective	BSBPEF501	Manage personal and professional development
Elective	BSBOPS502	Manage business operational plans
Elective	BSBPMG537	Manage project procurement

Advanced Diploma of Civil Construction Design

Course Outcome
On successful completion of the course students will receive a full Certificate of Qualification for Diploma of Civil Construction Management.

Advanced Diploma of
Civil Construction Design

Course Code RII60520 | CRICOS Code: 111925J

Tuition Fee : $ 24,700 AUD	
Resource Fee : $ 500 AUD	
Enrolment Fee : $ 300 AUD	
Total Course Fee : $ 25,500 AUD	

This certification reflects the function of a person who helps professional engineers by working as a senior civil works designer or para-professional designer. You can work on a variety of residential and commercial building projects with the skills and knowledge you gain from this civil and structural engineering design degree. You will learn about civil engineering and develop your talents in this area.

What You Will Learn

This course involves a combination of various learning activities such as: case studies, project assessments, research work, knowledge assessment, and computer-aided design. By completing this course you will gain skills and knowledge in the following areas:

- Manage the scope, quality, and procurement of a project
- Manage the risks of a program
- Manage team effectively
- Application of safe design principles to control WHS risks
- Manage the civil works design process
- Design of motorways and interchanges
- Preparation of detailed traffic analysis
- Establish and maintain a quality system
- Produce basic drawings by using computer-aided design system

Course Units:

There are a total of 12 units to complete the course. This includes 5 core units and 7 elective units. Some of the units of this course are listed below:
Core / Elective	Code	Unit Title
Core	BSBPMG632	Manage program risk
Core	BSBWHS616	Apply safe design principles to control WHS risks
Core	BSBTWK502	Manage team effectiveness
Core	RIICWD601E	Manage the civil works design process
Core	RIIQUA601E	Establish and maintain a quality system
Elective	BSBOPS601	Develop and implement business plans
Elective	BSBPMG530	Manage project scope
Elective	BSBPMG533	Manage project cost
Elective	BSBSTR601	Manage innovation and continuous improvement
Elective	RIICWD533E	Prepare detailed design of civil concrete structures
Elective	RIICWD535E	Prepare detailed design of civil timber structures
Elective	RIILAT402E	Provide leadership in the supervision of diverse work

Advanced Diploma of
Agribusiness Management

Course Code AHC60319 | CRICOS Code: 111923M

Tuition Fee : $ 24,700 AUD
Resource Fee : $ 500 AUD
Enrolment Fee : $ 300 AUD
Total Course Fee : $ 25,500 AUD

The Advanced Diploma of Agribusiness Management is a nationally accredited course of the AHC Agriculture, Horticulture and Conservation and Land Management training package. The course provides practical training in farming, related technologies as well as agricultural business studies. There is a particular focus on broadacre cropping and animal products within the course.

What You Will Learn

This qualification reflects the roles of individuals working in a range of agribusinesses. The units covered in this qualification are uniquely contextualised for the agribusiness sector and reflect the need for agribusiness specific management expertise in planning and analysis, financial and human resource management together with an emphasis on sustainability.

Course Units:

There are a total of 8 units to complete the course. This includes 1 core unit and 7 elective units. Some of the units of this course are listed below:

Core / Elective	Code	Unit Title
Core	AHCBUS610	Manage agribusiness risk
Elective	BSBINN501	Establish systems that support innovation
Elective	BSBMGT605	Provide leadership across the organisation
Elective	BSBMGT621	Design and manage the enterprise quality management system
Elective	BSBMGT623	Monitor corporate governance activities
Elective	BSBPRC504	Manage a supply chain
Elective	AHCBUS613	Manage human resources
Elective	AHCAGB609	Develop export markets for produce

The City

Melbourne

Melbourne is Victoria's capital city and the 2nd largest city in Australia. According to "The Economist", Melbourne has been named the most liveable city in the world in recent years for its cost of living, healthcare, infrastructure, and education.

Melbourne Must-sees

- Drink the world's best coffee.
- Check out the amazing street art.
- Wander through laneways.
- Visit Flinders Street Station.
- Stroll the botanic gardens.
- Enjoy sport at the MCG.
- Visit the Immigration Museum.
- Admire Aboriginal art.
- Visit Queen Victoria Market.
- Go penguin-spotting at St Kilda

Events

- Australian Open
- Melbourne International Comedy Festival
- Melbourne Cup Carnival
- Moomba Festival
- Cricket Boxing Day Test
- AFL Grand Final
- Melbourne Chinese New Year
- White Night Melbourne
- Remembrance Day

Estimated Living Cost Per Week

Food	Rent	Mobile Phone & Internet	Recreation	Public Transport
$80-$150	$150-300	$20-$30	$50-$100	$40 - $50

The City

Gold Coast

Embrace the unmatched vitality of the Gold Coast, a playground for amusement that features stunning sandy beaches, majestic rainforests, thrilling theme parks, and a thriving eating and cultural scene.

Gold Coast Must-sees

- Visit Currumbin Wildlife Sanctuary
- Visit Dreamworld Gold Coast
- Explore Wet'n'Wild Gold Coast
- Visit Warner Bros. Movie World
- See Sea World Gold Coast
- Explore Coolangatta Beach
- See Burleigh Heads
- Visit Springbrook National Park
- Stroll around Tamborine Mountain
- Explore Broadbeach

Events

- Celebrate the region's Aboriginal culture
- Magic Millions Carnival
- Gold Coast Marathon
- Gold Coast Film Festival
- Queensland Surf Life Saving State Championships
- Somerset Storyfest

Estimated Living Cost Per Week

Food	Rent	Mobile Phone & Internet	Recreation	Public Transport
$80-$120	$200-$300	$10-$30	$60-$90	$40

The City

Adelaide

The capital of South Australia, Adelaide is the fifth most populous city of Australia, and it offers a wide variety of experiences to its residents and visitors. From exquisite wine tasting to partying at an immersive festival. Adelaide has it all, just name it.

Adelaide Must-sees

- Take in the views with RoofClimb
- Taste the fresh flavours of the region
- Kayak the River Torrens
- Meet the animals at Adelaide Zoo
- Stroll the botanic gardens
- Adelaide Dolphin Sanctuary
- Glenelg Beach
- Himeji Garden
- Waterfall Gully
- Gorge Wildlife Park

Events

- Adelaide Fringe
- WOMADelaide
- Adelaide Festivals of Arts
- Glendi Greek Festivals
- Touch Bass
- DreamBIG Children's Festival
- Adelaide Film Festival
- Cabaret Festival
- South Australia's History Festival

Estimated Living Cost Per Week

Food	Rent	Mobile Phone & Internet	Recreation	Public Transport
$90-135	$135-385	$20-40	$50+	$20-35

The City

Alice Springs

Alice Springs is nestled away in the middle of Australia's ochre desert. From the ancient desert, it rests atop the Aboriginal culture, which is built into the very fabric of life here, this town, known to the locals as "Alice," reflects the typical Australian character.

Alice Springs Must-sees

- Journey along the arts trail
- Gaze into the Milky Way
- Meet baby kangaroos
- Stroll around The Olive Pink Botanic Gardens
- See Alice from the air
- Road trip along the Red Centre Way
- Take on the epic Larapinta Trail
- Explore the Red Centre on a day trip
- Take a sunset camel ride
- Visit the Telegraph Station

Events

- Beanie Festival
- Art markets (Desert Mob)
- DesArt in the Park
- Alice Desert Festival
- Bush Bands Bash
- Lasseters Camel Cup

Food
$80-$125

Rent
$100-$300

Mobile Phone & Internet
$20-$50

Recreation
$60-$200

Public Transport
$14

Application Process

Step 01
Choose your course, check admission requirements, understand fees & costs and read policies

Step 02
Apply for admission

Step 03
Have your application processed for Offer Letter

Step 04
Accept your offer, provide GTE documents and pay the fees

Step 05
Apply for Student Visa

SCHOLARSHIP OPPORTUNITIES

- SCHOLARSHIPS up to 20% available.
- Students must submit their applications first.
- After careful consideration scholarships will be provided which will be reflected in the offer letter.
- MMC may offer scholarship to high achievers based on scholarship criteria.

Frequently Asked Questions

1

Being an International student can I choose accredited or non-accredited courses?

As an international student, it is imperative that you enroll in accredited courses to ensure eligibility for a student visa. Furthermore, while you do have the option to pursue non-accredited courses, it's essential to note that this choice may affect your visa status.

2

What document do I need to enroll in MMC?

To enroll at MMC, specific documentation is required, which varies based on your student status. Overseas students must furnish their academic records and passport. Conversely, onshore students are required to submit these documents along with a visa copy, current CoE (Confirmation of Enrolment), and offer letter.

3

What happens if my application is successful?

Upon the approval of your application, you will receive a Multiple Entry Visa, affording you the privilege to travel to and from Australia during the duration for which the visa has been authorized. This timeframe is contingent upon the specific course for which you have gained admission. It is essential to note that your visa may be revoked if you discontinue your studies or do not adhere to the stipulated visa conditions.

4

Do I pay my course fees before applying for my student visa?

Certainly. To proceed with your enrollment at Melbourne Metropolitan College, it is mandatory that you fulfill the tuition fees as delineated in your Letter of Offer and Acceptance. Subsequently, upon payment, the College will provide you with a Confirmation of Enrolment (CoE), which is a requisite document for your visa application.

5

Do I need to study a full-time registered course to be granted a student visa?

Yes. You can only be granted a student visa if you intend to study a registered course or part of a registered course on a full-time basis.
